DATE: 6 October 1954

FROM : [redacted]

50X1

SUBJECT: Trip Report - Quadricode

1. A conference was held on Tuesday, 21 September 1954, in the office of [redacted]

50X1
50X1

The purpose of the conference was to discuss the progress of the developmental contract for a high speed communications system to be known as Quadricode. Those present were:

[redacted]

50X1

2. The conference was opened with a discussion of the basic principals and techniques to be used in the production of a prototype equipment. [redacted]

50X1
50X1

[redacted]

3. A preliminary discussion of the procedures and locations for testing followed. [redacted] stated that it was desirable to obtain, as soon as possible, the assigned operating frequencies, as this would affect the purchase and design of some of the basic units to be incorporated into the equipment. It was agreed that this information would be obtained and forwarded at an early date.

50X1

4. The contractor feels that they are making good progress and that except for the delay caused by the tardy receipt of the [redacted] prints furnished by our office the program will continue on schedule.
